

## Town of Wainwright Dec 11 2017 Council Committee of the Whole Meeting Notes

*Meeting Chair Clr. Challenger called the meeting to order at 7pm*

### **1. Bylaw enforcement**

Bylaw enforcement officer Mellissa spoke to council regarding ideas to improve the bylaw enforcement. Council thanked her for her input and will take her ideas into consideration in the future.

### **2. Department overview and 5 year plan draft**

Department heads took turn to introduce their department's key roles and responsibilities and present the draft five year plans to council for information.

### **3. Strategic planning session, corporate review and open house**

Council tentatively pick the May 26 as the date to conduct strategic planning session. Administration will prepare for an open house in the fall.

### **4. Roundtable discussions**

- Council would like to have Banner Engineering coming to do a presentation on storm water project toward the end of the project.
- Council would like to see Associated Engineering coming to do a presentation on new water treatment plant feasibility study in the New Year at one of the regular council meetings.
- Council agrees to move Jan 2's meeting to Jan 9 and cancel Jan 8's committee of the whole meeting
- Council also discussed R2/R3 zoning vs. R1 zoning in the new residential subdivision area

*Meeting adjourned at 11:pm*
