Mass communication tool

Fire Chief briefed council about options of mass communication tool and will collect further information and report back to council later.

Wounded warrior sponsorship request

Due to fiscal constraints, council is not able to support this funding request.

Public transportation needs survey results

Council reviewed the survey results and decided not to pursue any new in town public transportation means at this time.

Helipad relocation

Council agreed to consult the public before carrying out any engineering work.

Rec program fees

Council endorsed Rec board’s decision in terms of compiling a list of Rec Fee assistance programs to help bridging the information gap.

Citizen concerns/complaints process

Council is encouraged to direct citizen concerns/complaints to related departments. If the citizen is unhappy with the town’s response, council can review it at monthly CotW meetings.
